There are so many options and possibilities that it can be very confusing for young people. Our role is to help them to clarify their goals and to identify the steps they need to take to achieve them. We have a special service called ‘Moving On Up’. This is for young people who have gained 40 credits or less at school and want help to take the next step into work or training. Currently we are also piloting a programme called Youth Pathways: He Ara Rangitahi. This is for young people who are having difficulty sorting out directions and paths for the future.</p>
