

## Introduction

This directory is intended to be a reference guide that provides young people and those working alongside young people with information about the services being provided within the Napier and Hastings Districts.

The directory has been completed and published by the Napier City Council and the Hastings District Council.

Feedback and inclusion of organisations is encouraged. This directory will be updated once a year. Copies of the directory are available by contacting Rachelle Beale, Community Development Advisor, Hastings District Council, phone (06) 878 0510 extn 8703 or email [rachelleb@hdc.govt.nz](mailto:rachelleb@hdc.govt.nz) or Rebekah Bezzant, Youth Coordinator, Napier City Council, phone (06) 8344 171 or email [rebekahb@napier.govt.nz](mailto:rebekahb@napier.govt.nz)

We work with the Police and the Courts in dealing with young offenders under the youth justice system. We provide residential and care services for children in need of care and protection and for young offenders. Our adoption information services units assess people who wish to adopt children and report to the Family Court on adoption applications. We also facilitate the exchange of identifying information for parties to past adoptions. Our contracting group funds community organisations working with children, young people and their families to support the community's role in protecting and helping children.</p> |

There are so many options and possibilities that it can be very confusing for young people. Our role is to help them to clarify their goals and to identify the steps they need to take to achieve them. We have a special service called 'Moving On Up". This is for young people who have gained 40 credits or less at school and want help to take the next step into work or training. Currently we are also piloting a programme called Youth Pathways: He Ara Rangitahi. This is for young people who are having difficulty sorting out directions and paths for the future.</p> |
